Well, the weekend of the 20th and 21st May will go down as one of the very best for our Club. I am sure everyone is just as delighted as we are with the fantastic result achieved by all our Pennants Sides.

As you are aware, we entered 6 sides into the 2022/23 State Pennants. Of those 4 made it all the way through to their respective Zone Grand Finals and 2 of those went just one step further and brought back Zone Flags to our Club.

That is in itself a wonderful achievement, but we must remember that our Grade 6.2s were in contention right up until the very last round of Sectional Play, and that our Grade 1 punched well above their weight all season and are considered unlucky not to have been able to record at least 3 more wins.

Congratulations to all concerned, the Players, the Reserves, the Side Managers, the Greenkeepers, all the support people and of course the Selectors. Keep in mind that we are just a small suburban Bowling Club with I believe a wonderful culture and comradery unmatched by others.

Grade 5 are off to Dubbo for the State Finals and Grade 7 will compete at NBC/Dundas.

A very proud Board of Directors and Management have asked me to pass on our very best wishes to everyone involved in the Finals Campaigns.

Go the Roosters!
