Message from Darren

Including amalgamation and MOU update.

Happy New Year to our members, and just like that, another year is well underway.

I'm very pleased to share some exciting news with you. Our Version 1 Masterplan for NBC Sports Club has now been approved by the Board. This is a significant milestone for the Club and for the wider Northmead community, and it sets a clear and confident direction for the future of your Club.

Over the coming weeks, we'll be sharing artist impressions, images and renders that showcase how NBC Sports Club will look and feel as this vision comes to life. These will be available through our website and social channels, with an anticipated release by the end of February, so please stay tuned.

As we approach the one year anniversary of our amalgamation, I'm incredibly proud of what has been achieved in such a short period of time. Together, we have:

- Extinguished over \$1 million in debt
- Invested over \$1.2 million into capital projects
- Completed the resurfacing of the car park
- Secured Board approval of the NBC Masterplan
- Ordered a new compliant digital roadside sign

- Soon, NBC Sports Club will be part of a group wide promotion, whereby members can win a share of \$50,000 during the promotional period.
- Introduced dual branding on our new courtesy bus, proudly promoting both NBC Sports Club and the Northmead Roosters throughout the wider community.

We've also seen strong momentum in the growth and development of bowls. I'd like to welcome Steve McGuiness as our new Bowls Coordinator, along with several quality new players joining the Club. New uniforms have arrived, and we're delighted that our sponsors are locked in and committed to the ongoing success of the Northmead Roosters.

I would also like to acknowledge Maelene Reynolds, who has recently resigned from her position. We thank Maelene for her contribution and wish her every success in her next chapter.

Most pleasing of all has been the performance of NBC Sports Club itself. The Club has delivered a positive EBITDA improvement of \$405,000. This result does not happen without the dedication of our staff and the continued support of our members and the broader Northmead community.

Thank you for being part of this journey. There is much to look forward to, and I'm excited about what lies ahead for NBC.

Our \$50K Giveaway commences the first Thursday in March. Simply by visiting NBC Sports Club, you

could win a share of up to \$50,000 during the promotion period.

Stay tuned to our socials and website for more information and T&C's.
